

IQ Series

Commercial/Industrial Tube Heater

Innovation that lowers your fuel cost and increases comfort

The **IQ Series** boasts high comfort and provides significant energy savings and a carbon footprint reduction of up to 50%.

The long and laminar flame of this tube heater provides an even heat distribution and is easy to install, access, and maintain. **IQ Series** provides the highest employee comfort by creating a uniform distribution of heat.

Experience Counts: Infrasave is the worldwide market leader and most trusted brand with over 2 million heating appliances sold.
