

Dear Valued Infracave Distributors,

As we welcome 2026, we want to extend our heartfelt appreciation for your dedication and the pivotal role you've played in making the past year a resounding success. Thanks to your commitment and partnership, together we have continued to deliver excellence and innovation to our customers.

We are writing to share important news about the future of the Infracave brand. As we mark the end of an era with Infracave, we are excited to announce that all Infracave distributors will be transitioning to the leading Schwank brand. This transition not only represents a new chapter in our journey, but also opens up fresh opportunities for growth, enhanced product offerings, and continued market leadership.

To ensure a seamless transition, we have established a clear timeline and key milestones:

January - March 2026:

- Introduction and on-boarding with Schwank product lines and resources.
- Training sessions and support for distributors on Schwank systems and sales tools.

April 2026:

- Full integration of ordering, support, and logistics under the Schwank brand.
- Completion of the transition, with all future business conducted under Schwank.

We are confident that this transition will strengthen our partnerships and provide even greater value to your business. If you have any questions or need further information, please do not hesitate to reach out to your local sales representative or our factory reps—they are ready to support you every step of the way.

We ask that you share this with your key internal teams and contacts.

Thank you for your continued partnership and trust. We look forward to an exciting and prosperous 2026 together as part of the Schwank family!

Sincerely,
The Infracave/Schwank Team
